## - LIABILITY WAIVER -

Your well-being is our highest priority. In this challenging time of COVID-19, we continue to monitor recommendations from local, state, and national health experts and agencies, and our practices are designed in accordance with their guidelines. Our safety protocols prioritize the safety and comfort of our guests, staff, and community, and we appreciate your patience and cooperation as we work to keep each other safe.

While these practices are designed to create a safe and secure environment, a risk of exposure to COVID-19 exists in any public place where people are present. As advised by the Centers for Disease Control and Prevention, elderly individuals and those with underlying medical conditions are particularly vulnerable to COVID-19. By visiting the Montreal Beach Resort, Harry's Ocean Bar & Grille, and/or the Boarding House, you voluntarily assume all risks related to exposure of COVID-19. Further, if you, your family members, or co-travelers develop any symptoms of COVID-19 during your visit, you agree to alert the hotel staff and leave the premises immediately.

Thank you very much for your agreement and helping us maintain a safe and comfortable environment for our guests and staff.
